

How to find Park House

From the M1 travelling Northbound

Get in the left hand lane after J21 and leave at J21A, keeping in the **LEFT** lane, onto the A46 ring road. After just a few hundred yards **exit left** signposted Park and Ride. At island take the second exit. At next island, 50 yards, take first exit. Follow road into village (Kirby Road, then Main Street). You will go over several traffic calming humps and then reach another island (The Square). Take the **SECOND** exit onto Stamford Street. Park House is 500 yards on the right, a building with a small clock tower.

From the M1 travelling Southbound

Turn off at Junction 22 and follow the A50 south, towards Leicester.

Pass over two roundabouts. The third roundabout is the main ring road, A46. Also pass straight over this island. At the next island turn right into Glenfield (signposted). Follow through the village, (over two mini islands) go past the Co-op (on your right) and you will come to an island, known as The Square. Turn sharp left, first exit, into Stamford Street. Park House is 500 yards on the right, a building with a small clock tower.

From the City Centre

At the Holiday Inn pick up the Hinckley Road (A47) and then follow the signs for Glenfield – you turn right onto Fosse Road and then left onto Glenfield Road (at the third set of road lights after the Holiday Inn). Continue to follow the road (about 3.5 miles and going over a set of lights and the inner ring road – a large island) and then at the bottom of the hill (Dominion Road), within Glenfield, go over the mini island, Park House is 200 yards on the left.
